SCARBOROUGH FIREMEN'S ASSOCIATION

To the Board of Selectmen and the Citizens of the Town of Scarborough:

It is with great pleasure that I can give to the citizens of Scarborough a brief outline of progress made by the fire departments.

Oak Hill District received the major allotment which was used to purchase Oak Hill Garage property. This has been remodeled and repaired by the boys of the company under the direction of Deputy Chief George Douglas. They now have fine quarters and an excellent location.

The other Districts received all that could be purchased with the remaining money, this includes 1-inch booster hose, 1½-inch and 2½-inch hose. A few rubber coats, boots, and hats along with other fittings so badly needed.

All Districts answered numerous calls and did a fine job in putting out fires, this was especially noticable at the High School fire. All Districts responded and the fire was brought under control and extinguished within a remarkably short time. The Fire Department at this fire alone saved the Town all the money that has been expended for apparatus.

I believe that at this time, due to the National emergency, some means of an alarm system should be seriously considered to warn the people or call help to any part of Town.

I want to thank the citizens of Scarborough for the help they have given to the volunteer companies and hope they will continue to be more fire-minded and help the boys that volunteer their services without pay to be more efficient.

Respectfully submitted,

BENJ. F. ROBERTS,

President of Scarborough Firemen's Assn. Inc.

On Dec. 13, 1941, Mr. Percy K. Gower informed the Selectmen that he would be unable to continue his duties as Selectman, due to a change of employment.

The Selectmen conferred with the Town Chairman of the two political parties and decided that the two remaining Selectmen would assume his duties for the remainder of the year.

This was done and Mr. Gower reimbursed Mr. Libby and Mr. Lary for their additional duties.

REPORT OF BUILDING INSPECTOR

To the Citizens of Scarborough:

Your Inspector has viewed the many building and repair jobs in the town during the past year and has en-

deavored to enforce the Building Code in a manner that would be fair and just to all.

One hundred and fifty-eight permits have been issued during the year and the estimated cost was as follows:

New Buildings	\$71,970 00
Barns and Henhouses	5,500 00
Swimming Pool	4,500 00
Garages (17)	2,455 00
Cabins and Rest Rooms	5,175 00
Signs	350 00
Restaurants	2,000 00
Industrial Plants	3,150 00
Chimneys and Fireplaces	325 00
Repairing	9,744 00
	<hr/> \$105,169 00

I believe that the record of permits issued will be of real service to the Assessors and that under the Building Code an improved type of building will result.

Fees received for the Permits were scaled according to construction costs and amounted to \$142 50.

Respectfully submitted,

A. H. NELSON, Sr.

Building Inspector.

REPORT OF SEALER OF WEIGHTS AND MEASURES

I herewith submit my report as Sealer of Weights and Measures for the Town of Scarborough for year ending February 1, 1942.

61 gas pumps
38 scales
1 condemned
4 sets of weights

Respectfully submitted,

F. HERBERT WENTWORTH

RAY L. LITTLEFIELD,

Collector for 1941

February 21, 1942

Town Clerk's Report

To the Citizens of Scarborough:

I hereby submit to you a condensed report of the Town Clerk's Office for the past year for your approval.

The Annual Town Meeting was held March 3rd, 1941. One Special Town Meeting was held April 12, 1941, to see about purchasing building and land at Oak Hill known as the Oak Hill Garage Property. Special State Election was held December 10th, 1941.

There has been collected by Kendall Lucy and Ralph B. Sargent for Dog Licenses \$325 85, also \$230 30 by the Town Clerk for Dog Licenses and \$26 00 for Victualer's Licenses, this has been turned over to William M. Howatt, Town Treasurer, and shown in his report.

There were 39 births, 73 marriages and 55 deaths recorded as follows:

DEATHS

February 7, 1941. In Portland, Albert Leroy Deering, aged 1 day.

February 23, 1941. In Scarborough, Anne A. Clifford, aged 70 years, 2 months, 28 days.

February 24, 1941. In Scarborough, Henry Fluett, aged 83 years, 10 months, 29 days.

February 24, 1941. In Westbrook, Thomas Linwood Green, aged 57 years, 6 months, 16 days.

March 3, 1941. In South Portland, Mary L. Tupper, aged 70 years, 4 months, 5 days.

March 19, 1941. In Portland, Frank E. Sargent, aged 70 years, 3 months, 11 days.

March 20, 1941. In Scarborough, Mary C. Libby, aged 87 years, 3 months, 22 days.

April 17, 1941. In Portland, Elmira Libby Kaler, aged 86 years, 2 months, 21 days.

April 20, 1941. In South Portland, David Allen Tupper, aged 3 months, 7 days.

April 22, 1941. In Biddeford, Emelie Peloquin, aged 62 years, 8 months, 15 days.

April 26, 1941. In Scarborough, Ethel Mehlman, aged 35 years, 11 months, 14 days.

April 28, 1941. In Bangor, Harriet B. Carter, aged 59 years, 7 months, 15 days.

May 16, 1941. In Westbrook, Mildred G. Elwell, aged 48 years, 8 months, 13 days.

May 29, 1941. In Saco, Henry E. Brousseau, aged 56 years, 9 months, 13 days.

June 10, 1941. In Scarborough, John Paul Myatt, aged 23 years.

June 10, 1941. In Scarborough, Winnifred Skillings, aged 36 years, 4 months, 21 days.

June 22, 1941. In Hollis, Frank O. Deering, aged 79 years, 2 months, 5 days.

July 1, 1941. In Portland, Vivian Rawson Tucker, aged 40 years, 10 months, 16 days.

July 5, 1941. In Portland, Llewelmer Skillings, aged 70 years, 8 months, 22 days.

July 19, 1941. In Scarborough, Katherine Lane, aged 60 years, 1 month, 13 days.

July 22, 1941. In Bath, Me., Martha A. Libby, aged 90 years, 6 months, 9 days.

July 24, 1941. In Gray, Orrin H. Sawyer, aged 50 years, 1 month, 6 days.

July 30, 1941. In South Portland, Edward C. Plummer, aged 81 years, 5 months, 1 day.

August 1, 1941. In Portland, still-born daughter of Fred S. and Etta M. Plummer.

August 6, 1941. In Portland, Frederick W. Marsh, aged 50 years.

August 6, 1941. In Augusta, Ivory F. Libby, aged 71 years, 1 month, 21 days.

August 12, 1941. In Scarborough, Eusula O'Grady, aged 15 years.

August 15, 1941. In Scarborough, John Vaughan Bostwick, aged 56 years, 1 month, 5 days.

August 20, 1941. In Lewiston, Edward F. DeRouin, aged 74 years, 0 months, 26 days.

August 30, 1941. In Scarborough, James Gill, aged 85 years, 1 month, 19 days.

September 4, 1941. In Augusta, Raymond L. Watts, aged 30 years, 4 months.

September 5, 1941. In Scarborough, Ada F. Higgins, aged 73 years, 6 months, 24 days.

September 16, 1941. In Biddeford, Herbert C. Snow, aged 71 years, 7 months, 13 days.

September 17, 1941. In Portland, Lucien W. Meserve, aged 72 years, 10 months, 16 days.

September 26, 1941. In Scarborough, Raymond W. McKenney, aged 51 years, 4 months, 23 days.

September 28, 1941. In Scarborough, Carrie F. Nutter, aged 82 years, 3 months, 9 days.

September 28, 1941. In Portland, Etta A. Stanorth, aged 75 years, 1 month, 27 days.

September 28, 1941. In Augusta, Edward Cote, aged 78 years, 6 months, 29 days.

October 5, 1941. William Gerald Oakes, aged 1 year, 1 month, died in Portland, Maine.

October 12, 1941. In Scarborough, Edgar F. Drown, aged 70 years, 0 months, 4 days.

October 13, 1941. In Scarborough, James E. Seavey, aged 67 years, 3 months, 13 days.

October 18, 1941. In Biddeford, Hattie E. Dacey, aged 78 years, 11 months, 23 days.

October 19, 1941. In Scarborough, Thomas Stevens, aged 78 years, 0 months, 22 days.

October 29, 1941. In Scarborough, Henry C. Sylvester, aged 84 years, 0 months, 3 days.

November 3, 1941. In Westbrook, James E. Turner, aged 69 years, 1 month, 3 days.

November 4, 1941. In Portland, June Edwin Skolfield, aged 89 years, 6 months, 18 days.

November 13, 1941. In Scarborough, Oscar J. Bellmore, aged 72 years, 4 months, 16 days.

December 1, 1941. In Portland, Gregory Bimson, aged 74 years, 10 months, 15 days.

December 5, 1941. In Augusta, Irving Kilborn, aged 85 years.

December 7, 1941. In Portland, Bertha Brosseau, aged 52 years, 9 months, 6 days.

December 9, 1941. In Portland, Mabel G. Manchester, aged 64 years, 5 months.

December 24, 1941. In Scarborough, Adam Cuvinski, aged about 70 years.

December 26, 1941. In Farmingdale, Almon Burton Leavitt, aged 64 years, 4 months, 17 days.

January 2, 1942. In Scarborough, Memad Tamar, aged 46 years.

January 10, 1942. In South Portland, Effie E. V. Moulton, aged 76 years, 5 months, 13 days.

Respectfully submitted,

WILLIAM M. HOWATT,

Town Clerk

Scarborough, Maine, February 7, 1942.

Report of the Superintendent of Schools

To the Board of Education and Citizens of Scarborough:

Your public schools are an important community activity in time of national crisis. What those schools teach the pupils of today and how well they teach them will be a big factor in the present protection, in the peace which will follow, and in the restoration of the community and national life to normalcy.

It is the major patriotic duty of the school and of the individual teacher to teach a little better if possible. This teaching includes the necessary knowledges. It includes more than ever the pupil's attitudes. In many situations and many homes normal life is upset. The increased costs of living, the absence of an older brother in military service, and general apprehension have too frequently caused neglect of those features of home life centering around the child. In some cases the hours in school are the only hours when the child can be happy and free from disturbing influences. Thus your schools must strive to sustain and improve the emotional stability of the child as well as to help him to develop intellectually.

Of course, too, the schools—and all school people as individuals—are called upon for unusual community defense activities. Air raid warden and Red Cross courses are being taken by several of our teachers. I believe that all are participating wherever such participation is desirable.

One note of warning. All school people can to some extent participate in these community activities, and should. However our teachers should not be so eager and should not be urged to take on extra community activities to an extent which will interfere with effective work in their classrooms.

Starting The Child Right

Perhaps the greatest improvement in your school system this year has been the setting up of better instruction in two sections by which the children will get a better start on their school careers. It is most important that the introduction of the child to formal instruction be effective. Primarily this means that he forms social attitudes, work habits, and real concepts of the things and activities for which words stand before he starts his grade work, especially his reading. When the child enters directly into the first grade, there is a great tendency to start him too early in formal reading. The results may be serious. His eyes are not sufficiently developed. He has not the concept of what the symbol — the word, letter, or figure — represents. They are simply symbols, words, letters or figures to him without real meaning. That is what we mean by lack of reading readiness.

In a sub-primary year, he talks about these things, identifies them, and bit by bit gives to words real meaning. Of equal importance, he learns to live together with his schoolmates and he forms good work habits.

Happily at Oak Hill and at Dunstan this better start for the little children has been improved this year. At Oak Hill, in the grammar school building, we have found it possible to set up a sub-primary group under its own teacher. While the room in the basement is not ideal, it is adequate and the teacher and children with their enthusiasm have made it very attractive. At Dunstan by using the stage as a classroom we have been able to set up a group which includes the sub-primary and first grade. Again the enthusiasm of the class has overcome minor difficulties of location. The additional teacher at Dunstan has also made it possible to make better grade grouping for the pupils all along the line. With this help, the achievement of all pupils in that school this year has been greatly improved.

OAK HILL SUB-PRIMARY—*A Correct Start*

Need For Adequate Financial Support

At this time when public money is needed for so many things, there is danger that support of the public schools will be neglected. The defense of Democracy, in the long pull—and it is likely to be a long pull—starts in the classrooms of the public schools. Thus we must, against the other demands, keep our schools properly financed.

The most important factor in efficient learning is the teacher. The number of available good teachers is being decreased by the calls of the draft and defense industry. Competition is increasing for these good teachers among communities. Two of our excellent teachers have been recently drawn from us by a salary fifty per cent above what we are paying them. If we are to retain and attract the kind of teachers we wish for our children we must pay salaries which will meet this competition.

Moreover we must pay sufficient salary to help our teachers to meet the increasing cost of living. Otherwise they will have to go to other occupations that will do this, or—if they remain in the schools—be subject to distracting worries that result from trying to keep body and soul together.

Then, too, our cost of materials is rising. Textbooks will probably increase from 10 to 25 per cent. It is estimated that paper and instructional materials will increase at least 30 per cent. Of course we shall reduce so far as possible the amount used. We also, as will be indicated later, have tried to buy ahead of the rising market. But in spite of these, the necessary expenditure for materials next year will be greater.

The increased salary and materials costs are reflected in the budget request of the Board of Education. They are reached thoughtfully and conservatively. The Board must be given these increased amounts if proper schools and instruction are to be maintained.

It will be noted that for the first time in over twenty-five years the expenditures of the Board of Education for the year closing have noticeably been greater than the

total appropriations. This reflects the increased cost. However, it also reflects purchases against a rising market. In the opinion of the Board of Education this was wise to a reasonable extent.

Our Concern For The Future

Our school plants at Oak Hill are filled to capacity. Further transfer of pupils below the eighth grade from other areas will soon reach a limit.

This is unfortunate. The superior learning situation for upper grade pupils in a properly graded school has been demonstrated. It has been so evident to parents that in increasing numbers they have provided transportation so that their boys and girls could obtain this advantage.

A year ago, we proposed, as part of a three-step plan, a new building at Dunstan. This would give an equally good opportunity for this improved grading.

However, this is obviously no time for a building program unless we are absolutely forced to increase our school housing facilities because of a sudden influx of young people of school age. The high costs would be almost prohibitive. Further, even if we could get them, we would be drawing labor and materials from necessary national defense. Perhaps more important, it seems likely that Scarborough is in for a period of growth. Before planning new buildings we should have a clearer idea of the extent, location, and nature of that growth.

So at this moment it is only recommended that we recognize that there will be a problem ahead. We should study developments carefully. Then when building becomes possible we can and should act intelligently and quickly.

This much we do know. In our past building we have not been willing to proceed on the true further needs. In other words our program has only kept up with the enrollments of the time and have given no future reserve. In future building we must, for economy as well as effectiveness, recognize the needs beyond the immediate. We also

must make, in our future buildings, adequate provision for the development of skills and hand work of many kinds which are so important in a modern school program.

Buildings, Grounds and Equipment

Good progress has been made during the past year in maintaining and improving our school plant.

In the High School on December 29, 1941, there was a serious fire. It would have been much more serious had it not been for the effective work of the Scarborough Fire Department in bringing it under control with the least possible damage to the building and its equipment. Much credit is also due other citizens, high school teachers and students for their quick and effective work for the protection of the building and the salvage of supplies and equipment after the time of the fire.

The loss has been adjusted. The insurance allowance was \$7,038.80.

I have been profoundly impressed by the fine spirit of co-operation that has been shown by all of our people who had a part in saving our High School building from complete destruction and in the restoration of it for the use of our community.

In the Gymnasium we had put in a new floor during last summer. Since the fire this has been replaced by another. The floor of the cooking laboratory has been covered with linoleum.

The new school bus authorized by the special appropriation is serving the Beach Hill and Libby School areas in a satisfactory manner.

One of the most interesting developments has been the beautification of the site of the Oak Hill Grammar School. These grounds have been partially graded and it is hoped that another appropriation will make it possible to complete the work.

This work has been supplemented by the splendid efforts

of the pupils in that school under the direction of teachers. They have dug up an old bed of rose bushes and transplanted them along the entire length of the school-house fence, and also helped in the renovation of several flower beds. Their work has added greatly to the appearance of the lawn. Perhaps even more important than this improved appearance was the educational experience for these boys and girls. They gained some practical knowledge of landscaping. They had practical handwork. They also realized what hard work means and incidentally they showed that our boys and girls can "take it"; finally, from this experience, they realize better the value of public property. You can bet that they will not injure or allow to be injured the hedge which they have set up themselves.

The creation of rooms for sub-primary classes at the Oak Hill Grammar school and the Dunstan school has already been referred to. Oak Hill pupils in the upper grades added some furniture and equipment which they made as handwork projects out of crates.

In the Dunstan school it has been possible to equip the basement to allow better lunch conditions. Through the co-operation of parents, town, and teachers, a stove, sink, and tables and chairs have been provided. With the aid of a worker and using to some extent federal surplus commodities, it is now possible to serve a hot lunch.

As to the usual repairs, it has been possible to keep our buildings in good condition through following our planned program of routine upkeep during the year.

Emphasis On Hand Work

A reorganization of the program of Industrial Arts and Home Economics has produced excellent results. Because of this change it is now possible for a high school student to have four years training in Industrial Arts, instead of two years, as formerly; also, a high school student can have considerably more training in Home Economics.

With the exception of the Eighth Grade at Oak Hill the hand work in the elementary schools has been wholly transferred to the elementary schools under the initiative of the regular teachers. These teachers, however, have had the benefit of help from Mr. Hallett, the High School instructor in Industrial Arts, and Miss Hutchins, the High School teacher in Home Economics. In each elementary school the activity and instruction have been adapted to the interest and ability of the group, and many interesting programs and now going on.

By this change more pupils are having the benefit of developing muscular control, the benefit of learning by doing, an appreciation of the importance of measurement and the need for precision, a better appreciation of the value of the manufactured product, and the earlier discovery of their skills and interests.

The Program In Music

Splendid progress has been made in our program of school music. The high school orchestra under the inspiring leadership of Miss Steele, has expanded and shown great improvement. The choral groups have been splendid. In the elementary schools, in addition to the basic class instruction we have had group participation in operettas and other public performances. These have not only given the pupils and the public much pleasure; they have also provided wonderful experiences in bringing the singing up to an acceptable standard and in working together.

The School Health Program

We continue to endeavor to build the health of our

children by the correction of defects and the building of desirable health and recreational habits.

We are very fortunate in our public health nurse. Co-operative and efficient, she shows rare understanding in her approach and contacts with pupils, teachers, and parents. We are also beginning to reap the benefits of the pre-school clinics which she supervises so ably.

The dental clinic, made possible by a town appropriation and the co-operation of the Cumberland County Health Association and interested citizens, has made it possible to examine and provide treatment for all pupils through the third grade. It is hoped that through this demonstration of its value, dental examination and treatment will be accepted by the parents of older children as a desirable responsibility.

The North Scarborough School has made a fine contribution to our health program by the unusual accomplishment of having one hundred per cent in seven pointers for that school.

Of equal value has been the effort through physical education and recreational efforts to educate our children in habits of healthy exercise and living. Our "Play Day" last June was a happy demonstration. All elementary schools participated. The program was excellently planned and conducted by Calvin Austin, one of our elementary school teachers. We were honored by the presence of Dr. Harry Edwards, State Director of Physical Education. He stayed all day and took motion pictures to show throughout the state. Our children and parents later enjoyed seeing themselves in these pictures.

A Year Of Problems

During the past year, the load of work on your Board of Education has been unusually heavy. Many problems have called for many conferences. There have been many

calls on individual members to personally view the needs and make special studies. This load they have carried most conscientiously and effectively.

The co-operation of the citizens, as individuals and in organizations has been extensive and spontaneous.

Your teachers have been equally spontaneous and unselfish in recognizing needs and with the co-operation of parents working intensively on problems of school and community.

The Selectmen and the Budget Committee have co-operated splendidly in recognizing the unusual financial problems.

Without this co-operation of all, the year might have been disastrous; with this co-operation it has been a year of unusual progress. Thus to all—Board of Education, Town Officials, Citizens, and Teachers I wish to express—really on behalf of the Scarborough children for whom we are all working—our sincere thanks.

Respectfully submitted,

F. H. B. HEALD,
Superintendent of Schools

REPORT OF PRINCIPAL OF SCARBOROUGH HIGH SCHOOL

To Superintendent F. H. B. Heald:

I herewith submit my twenty-first annual report as principal of Scarborough High School.

One hundred and seventy-one pupils have registered during the present school year. This confirms my prediction of a year ago that our student body would be the largest of the small high schools of Cumberland County. Although nearly all high schools in the state have decreased enrollments this year, Scarborough High has increased

her record registration of last year by twenty-three. Included are fifteen transfer pupils, twelve girls and three boys. The enrollment is distributed as follows:

	Girls	Boys	Total
Freshmen	25	26	51
Sophomores	21	22	43
Juniors	28	21	49
Seniors	14	9	23
Post-graduates	1	0	1
Special students	2	2	4
	<hr/> 91	<hr/> 80	<hr/> 171

Our student body has co-operated extremely well in the changed conditions necessitated by the recent fire and have maintained a splendid morale. I feel that the quality and the quantity of work accomplished since have not been lessened materially.

Dr. H. C. Lyseth, State Director of Secondary Education, in a recent letter to high school principals, wrote, "The best contribution most educators can make during the emergency is to remain in education and teach students and administer schools better than ever before . . . Let's teach our basic subjects of mathematics, science, history and other core curriculum subjects better than ever before. . . " I have read this letter to the members of the faculty and I am sure that their teaching efforts are being directed along the suggested lines.

All members of the faculty and many of the students have signed for Civilian Defense in one capacity or another and many are enrolled in classes relative to same.

Defense stamps and bonds are sold weekly in the high school by Postmaster Skillings who is devoting a great deal of time and energy to this work. Over three hundred dollars worth have been purchased through this school service.

All times and especially these present days demand that all pupils and teachers learn and practice the ways of democracy. It is the business of the school to help the pupils learn how to live in a democracy and, in turn, how to make a democracy an increasingly fit place in which to live. Student activities furnish one of the school's most effective ways of doing this. Hence our activities are designed with this end in view. Some of the agencies which are helping us to accomplish this end are a most efficient Student Council; various clubs including Home Economics, 4-H, Boys' and Girls' Glee, Spanish, and Orchestra; school publication editorial board; home room committees; and our dramatic and public speaking units.

Three new courses have been introduced this year. Music Appreciation is elective one day each week to Freshmen. Forty Freshmen are enrolled in the two Music Appreciation classes. Four year's work is now possible in Industrial Arts and Home Economics due to the elimination of work in these subjects to Grades 7 and 8. Ninety-one pupils are enrolled in these subjects.

In conclusion, I wish to thank you and the members of the Board of Education for the co-operation and support given me in the administration of my duties.

Respectfully submitted,

ELWOOD G. BESSEY
Principal of High School

FINANCIAL SUMMARY, 1941-1942

Accounts through funds available from Town, State and Nation.

REPORT OF HEALTH OFFICER

To the Citizens of Scarborough:

During the past year this office has been confronted with many new problems and also an increased amount of routine work. This has been due mostly to the influx of defense workers who have been forced to find homes anywhere they are able to.

Scarborough is conveniently located near defense projects and we must expect to accommodate all possible as long as the present emergency exists. Therefore, we must meet these problems as they appear.

Many of these people have come from distant points, and due to congestion, are obliged to live under conditions they are not used to. This makes health a vital question, as this overcrowded condition allows the rapid spread of disease when once started.

There has been some sickness among those from other localities that was more or less of a foreign nature to us. This has caused some concern but found not to be serious or contagious.

Most of these people are found to be a class that are concerned over the health of their families, but present conditions in which they are forced to live are proving somewhat of a handicap and present problems which are hard to cope with.

In trailer camps where many of these people are living, conditions are found to be good in spite of numerous complaints as to sanitation, etc.

I have been in close contact with these places and find that many of the units are of expensive type and are built to handle the sanitary requirements very well. The operators have conformed with regulations, but as in most places of this sort, there is always some infraction of rules by tenants. I find that the operators have remedied this to the best of their ability.

There has been much sickness in this town this winter. This has been of an epidemic nature, so must be expected.

In comparing the figures of contagious disease, I find this town had less cases compared to population than any other place in the state.

We had a few cases of scarlet fever, the first for several years, and small compared to what were common every year until recently. This disease has been rather hard to control due to a mild form and in several instances not noticed immediately. This office asks the co-operation of parents in keeping children from public places where they might contract these diseases.

Every possible precaution is being taken in schools, the teachers are excluding all sick children and visits to schools and homes by the Town Nurse has been of great value.

The Dental Clinic has proved to be a great help and is an item that should be strongly encouraged. Also the Well Baby Clinic for pre-school age children has been very satisfactory. It is necessary to continue the Nursing Service to support these clinics, and I hope that every one will support the Nursing Service this year.

In view of the National Emergency, the President has asked everyone be protected against contagion. I hope that all who can will take advantage of the smallpox vaccination which the Town furnishes each spring. One should also be subjected to other immunizing inoculations.

The garbage question remains a serious problem. We hope the Town can furnish places for its disposal soon.

Sewerage complaints have been easily remedied this year but the outlook is serious if building projects increase as in the past year.

I wish to thank the Selectmen, members of the Board of Education, Nursing Service and all others who have aided in conducting this office the past year.

Respectfully submitted,

RALPH B. SARGENT,
Health Officer

REPORT OF SCHOOL EXAMINATIONS

The school examinations this year revealed practically no changes from the findings of previous years. In many instances, too many, in fact, the findings on the individual pupils were identical with the findings of one, two, and even three years ago. Practically all of the defects found and reported are easily remediable, especially during childhood. Correction of such defects during childhood are definitely less difficult, less painful, and less expensive than in later years. The risk to the child's life is also much less.

The problem of expense has no doubt prohibited many from having the necessary work done, particularly where teeth and tonsils are involved. However, there have been opportunities for the care of both that involved little or no expense. There also exist other means for treatment that are quite inexpensive. And at the present time, with work and wages available for nearly everyone, it would seem the ideal time to properly treat all children needing care.

The children are their parents' responsibilities and depend upon the parents for the procurement of medical care as well as food, shelter and clothing. The future health and happiness of these children depends upon the interest and desire of the parents to provide all the necessities conducive to unimpeded development. The Army examination of selectees revealed that the same situation exists throughout the country. Since we are no worse than the rest of the country, why can we not strive to be better than the average and develop a standard of health among our children to which we can all point with pride and for which the children will always be thankful.

Respectfully submitted,

H. M. SAPIRO, M.D.

SCARBOROUGH COMMUNITY NURSING SERVICE

To the Board of Selectmen and Citizens of the Town of Scarborough, Maine:

The board members of the Scarborough Community Nursing Service for the year 1941-1942, were as follows: Mrs. Harold C. Payson, Chairman; Mr. Joseph R. Knight, Vice-Chairman; Mrs. Richard Grant, Secretary; Mr. V. T. Shaw, Treasurer; Mrs. V. D. Krijanovski, Mrs. Amy King, Mrs. Mildred Dow, Mrs. Ralph W. Haskell, Mrs. G. Clifford Libby, Mrs. R. Leon Lary, Mrs. Donald Piper, Mrs. Howard Sapiro, Mrs. Lloyd A. Turner, Mrs. Edward Vaill, Mr. F. H. B. Heald, Mr. John Libby, Mr. Fred Skillings, Jr., and Mr. F. Herbert Wentworth.

As Community Nurse, I submit the following report for the Board for the period beginning March 4, 1941, and ending January 31, 1942.

I have included in this report visits for the month of February, 1941, during which time Miss Catherine Blanchard was doing the work. During the months of March through May, I was employed as part-time substitute nurse. In July, I started doing full-time work, and have continued throughout the year. There has been an increase in the number of calls, which signifies that the people are availing themselves more freely of the service. I have enjoyed my duties, and wish to thank the citizens of the Town for their co-operation.

There has also been a decided growth in the Well-Baby and Pre-school Clinic. The mothers who attend have come to depend on the advice of Dr. Sapiro for the good health of their babies and children.

Transportation to the clinic has been provided by the transportation committee, and members of the various organizations throughout the town. The largest clinic attendance was 23 in June. The clinic is held the fourth Wednesday of every month, at the Scarborough Town Hall, at 11 A. M.

The outstanding activities which I have made arrangements for are: 6 tonsil operations, 4 of which were done

through the South Portland Kiwanis Club; 8 eye corrections; 4 dental corrections; conducted a vaccination clinic last April which was provided by the Town; and 11 Well Baby and Pre-school Clinics. The Dental Clinic which was supervised by Mrs. Donald Piper was an improvement in the teeth, appearance, and health of the school children of the Town.

The following is a summary of visits:

Non-communicable disease	448
Communicable disease	299
Crippled childrens service	4
Expectant mothers	63
Home confinements	2
Well-baby supervision	316
Mothers of new-born babies	63
Well-child supervision (pre-school)	133
School health	351
Adult health	26
Cases not home or not found	82
Persons not taken under care	21
Total	1,808

In addition I have made 1,126 inspections of school children and assisted the school physician in his annual inspections and examinations of school children.

Respectfully submitted,

KATHERINE LIBBY

TREASURER'S REPORT OF THE SCARBOROUGH COMMUNITY NURSING SERVICE

RECEIPTS

From Nursing Service to February 1	\$ 203.70

VELORUS T. SHAW,
Treasurer

DENTAL CLINIC

To the Board of Selectmen and Citizens of the Town of Scarborough, Maine:

The Scarborough School Dental Clinic presents the following report:

To appropriation	\$200 00
Contributions	
Scarborough Red Cross	20 00
Civic League	10 00
Pleasant Hill Hose Co.	10 00
Knights of Pythias	10 00
	\$250 00

Expenditures

12 Days—at \$20.00	\$240 00
36 Toothbrushes	2 25
Unexpended Balance	7 75
	—————\$250 00

The plan adopted by the Clinic was to include for treatment all children desiring dental work from sub-primary through the third grade of all the schools in the Town of Scarborough. The Clinic was set up in the Oak Hill Grammar School, and the students transported by the Scarborough School Bus.

The Mobile Dental Clinic of the Cumberland County Public Health Association with Dr. Franklin R. Smith, assisted by Mrs. R. M. Ryan, Nurse, was procured to do this work.

The Clinic was held Tuesdays and Thursdays of each week during November and December, 1941, and the following is a report of the dental services rendered:

Number of days in operation	12
Number of patients(including repeaters)	192
Number of cleanings	150
(actual number of patients)	
Number of Silver fillings	148
137 permanent teeth and 11 temporary)	
Number of cement and copper cement fillings	50
(13 permanent and 37 temporary)	
Number of cement bases (permanent)	5
Number of porcelain fillings	6
Number of extractions	97
(66 temporary and 31 six-year molars)	
Silver nitrate treatments of cavities before fillings	36
Silver nitrate treatments of temporary teeth	4
Total value, at office rates, of work done at Clinic,	\$887 00

Respectfully submitted,

DORIS F. PIPER, D.H.

Chairman of Dental Clinic

Warrant For Town Meeting

March 2, 1942

*To Kendall Lucy, a Constable in the Town of Scarborough, in
the County of Cumberland:*

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Scarborough, qualified by law to vote in town affairs, to assemble at the Town Hall on March 2, 1942, at six o'clock, A.M., to choose a Moderator to preside at said meeting: that the polls will be open at six-thirty in the forenoon and will be closed at two o'clock in the afternoon for the purpose of voting to elect the following officers: One (1) Selectman, Assessor and Overseer of Poor from the First Parish for a term of one (1) year; One (1) Selectman, Assessor and Overseer of Poor from the Third Parish for a term of three (3) years; Town Clerk for a term of one (1) year; Town Treasurer for a term of one (1) year; Tax Collector for a term of one (1) year; one (1) member of School Board from the Second Parish for a term of three (3) years; three Road Commissioners for a term of one (1) year; and also vote on the following Articles:

Article 1. To see if the Town will vote to accept and adopt the reports of the several Town Officers.

**Budget Committee Recommend to accept report
of Town Officers**

Article 2. To see what sum of money the Town will vote to raise and appropriate for the Support of Poor for the ensuing year.

Budget Committee Recommend for Support of Poor, \$5,000.00

Article 3. To see if the Town will grant and raise money necessary for the following: Free High School, Common Schools, and all other necessary school expenses for the ensuing year.

Budget Committee Recommend for School Purposes, \$41,750.00

Article 4. To see what sum of money the Town will vote to raise to be expended for Memorial Purposes.

Budget Committee Recommend for Art. 4, \$135.00

Article 5. To see if the Town will vote to raise and appropriate money necessary for the following: Electric Street Lights, Rental of Hydrants, Collecting Garbage and Rubbish, Officers' Salaries, Interest Charges, Contingency and to Defray Other Town Charges.

Budget Committee Recommend for Street Lights \$2,500.00

Budget Committee Recommend for Hydrant Rental, \$7,000.00

Budget Committee Recommend for Garbage Collection, \$1,000.00

Budget Committee Recommend for Officers' Salaries, \$4,500.00

Budget Committee Recommend for Interest Charges, \$500.00

Budget Committee Recommend for Contingency, \$1,000.00

Article 6. To see what sum of money the Town will vote to raise for the regular Repair of Roads and Bridges.

Budget Committee Recommend for Regular Roads and Bridges, \$3,000.00

Article 7. To see what sum of money the Town will vote to raise and appropriate for Winter Roads for the ensuing year.

Budget Committee Recommend for Winter Roads, \$5,000.00

Article 8. To see what sum of money the Town will vote to raise for the Maintenance of Third Class Roads.

Budget Committee Recommend for Third Class Roads, \$3,000.00

Article 9. To see if the Town will vote to raise the sum of \$500 00 for Maintenance of the road from Harmons Corner to Prout's Neck.

Budget Committee Recommend for Harmon's Corner to Prouts Neck, \$500.00

Article 10. To see what sum of money the Town will vote to raise for Maintenance of Streets at Pine Point.

Budget Committee Recommend for Pine Point Streets, \$500.00

Article 11. To see what sum of money the Town will appropriate for State Aid Road Construction (in addition to the amount regularly raised for the Care of Ways, Highways and Bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.

Budget Committee Recommend for State Aid Construction, \$2,520.00

Article 12. To see what sum of money the Town will vote to raise for the Maintenance of State and State Aid Roads.

**Budget Committee Recommend for State and
State Aid Maintenance, \$3,500.00**

Article 13. To see what sum of money the Town will vote to supplement the Third Class Road Fund.

**Budget Committee Recommend for Third Class
Road Fund, \$1,000.00**

Article 14. To see if the Town will vote to authorize the Selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying obligations of the Town, such loan or loans to be paid during the current Municipal year out of money raised during said Municipal year by Taxes.

**Budget Committee Recommend Loans up to
\$75,000.00**

Article 15. To see what sum of money the Town will vote to raise for Police Protection for the ensuing year.

**Budget Committee Recommend for Police,
\$1,000.00**

Article 16. To see what sum of money the Town will vote to raise to grade the Soldiers' Monument at Dunstan.

**Budget Committee Recommend for Monument
Lot, \$100.00**

Article 17. To see what compensation the Town will vote to pay the Tax Collector for the ensuing year.

**Budget Committee Recommend for Collector—
1 per cent on Collection**

Article 18. To see what compensation the Town will vote to pay labor and trucks on the Highways for the ensuing year.

Budget Committee Recommend for Labor and Trucks—Same as State

Article 19. To see what compensation the Town will vote to pay Road Commissioners for the ensuing year.

Budget Committee Recommend 60 cents per hour

Article 20. To see if the Town will vote to choose one (1) member of the Budget Committee for a term of six (6) years and determine the Method of Choosing.

Budget Committee Recommend to be appointed by Moderator

Article 21. To see if the Town will vote to authorize the Selectmen for and on behalf of the Town to sell and convey at their discretion any or all Real Estate in which the Town has an interest or title by virtue of unpaid Tax.

Budget Committee Recommend to be passed as read

Article 22. To see if the Town will vote to raise and appropriate money necessary for the payment of School Bonds for the ensuing year.

Budget Committee Recommend to be paid from Contingent fund

Article 23. To see if the Town will vote to raise a sum of money to finish grading the land adjacent to the new School Building on the Prout's Neck Road.

On Petition Board of Education.

Budget Committee Recommend for grading School lot, \$300.00

Article 24. To see what sum of money the Town will raise to repair and resurface Ocean Avenue and the Shore road near the Checkley at Prout's Neck.

On Petition.

**Budget Committee Recommend for Ocean Ave.,
\$100.00**

Budget Committee Recommend for Community Nurse, \$2,100.00

Article 46. To see if the Town will vote to raise the sum of \$300 00 to continue a Dental Clinic for the ensuing year.

Budget Committee Recommend for Dental Clinic, \$300.00

Article 47. To see if the Town will vote to raise the sum of \$200 00 for the support of Scarborough Public Library.

Budget Committee Recommend for Scarborough Library, \$200.00

Article 48. To see if the Town will vote to grant the Boy Scout Troop No. 39 the right to use the garage at the rear of Town Hall as a club room for the years 1942-43-44-45.

Budget Committee Recommend to pass as read

Article 49. To see if the Town will vote to extend the water main on Maple Avenue and install a hydrant at the junction of Maple Avenue and the Gorham Road.

On Petition.

Budget Committee Recommend to indefinitely postpone

Article 50. To see if the Town will vote to install and maintain two electric Street Lights on the Pleasant Hill Road on the curves, about 800 feet from State Highway No. 1.

On Petition.

Budget Committee Recommend to indefinitely postpone

Article 51. To see if the Town will vote to install and maintain one Street Light at the junction of Willowdale Road and State Highway No. 1.

On Petition.

Budget Committee Recommend to indefinitely postpone

Article 52. To see if the Town will vote to install and maintain a Street Light at the junction of Greenwood Avenue and Pearl Street at Higgins Beach.

On Petition.

Budget Committee Recommend to maintain throughout year

Article 53. To see if the Town will vote to raise a sum of money to cover the cost of public vaccination and inoculation as suggested by the State Board of Health.

Budget Committee — No Recommendation

Article 54. To see what action the Town will take in regard to a zoning ordinance.

On Petition.

Budget Committee Recommend to indefinitely postpone

Article 55. To see if the Town will vote to instruct the Selectmen to increase the Clam License fee to such an amount as may be determined at the annual Town Meeting.

On Petition.

Budget Committee Recommend to pass as read

Article 56. To see if the Town will vote to raise the sum of \$300 00 for the seeding and propagation of clams in the Town of Scarborough.

On Petition.

Budget Committee Recommend for Seeding of Clams, \$300.00

Article 57. To see if the Town will vote to pass a local ordinance prohibiting the digging of clams except with a regulation four tine digger. On Petition.

Budget Committee Recommend to pass as read

Article 58. To see if the Town will vote to sell a strip of land on the westerly side of Avenue B at Pine Point, extending from the south side of King or Front Street, to the ocean front.

Budget Committee Recommend not to sell

Article 59. To see if the Town will vote to accept the sum of \$150 00 for perpetual care of the James E. Seavey lot at Dunstan Cemetery.

Budget Committee Recommend to accept Cemetery Fund

Article 60. To see if the Town will vote to instruct the Overseers of Poor to publish an itemized account of their expenditures in their annual report.

Budget Committee Recommend to pass as read

The Selectmen hereby give notice that they will be in session at the Town Hall on February 26, 27, and 28, 1942, from 10 o'clock A.M., to 4 o'clock P.M., for the purpose of correcting check list.

Given under our hand at Scarborough, Maine, this
